

My name is William Shumaker. I have been teaching for 12 years in the Alpine School District. I graduated from BYU with my Bachelor's and from SUU with my Master's. I started my teaching career at Grovecrest Elementary, then moved over to Freedom Elementary. I transferred to Aspen Elementary as a Partnership Coordinator. I served as the instructional coach, intern mentor, and interim principal at Aspen Elementary. It is a great pleasure to be able to return to work with some of the greatest faculty and staff in the world!

I enjoy being around so many great people. I feel that in this profession we get to be the world's best motivators. I have seen it with many teachers at Freedom.

I have 5 children (1 girl and 4 boys). As my kids are growing older, I am starting to realize that my time is their time. It seems as though there is something happening every day of the week. My greatest joy, however, is spending time with my beautiful, amazing wife.

I am excited to be returning to Freedom Elementary! I look forward to working with each of you. It truly is a blessing!
